

## Bridges of Color Exchange

### Exchange Categories

- ❖ Handspun skein of any fiber - each must be 150 yards or 2 ounces
- ❖ A neck or table scarf - inspired by one of the parts of a bridge. It can be woven, knitted, felted or any other fiber art.

### Bring one, receive one

If you bring one item in one of the categories, you'll get one item back in the same category. Bring two items, get two back, and so forth.

### "Bridges of Color" Color Theme

Colors are electric blue, moss green, and gray. For inspiration, go to a bridge & river scene of your choice on the internet.

### Questions?

Judy Overbeek is coordinating the Exchanges. You can email her at: [overbeekr@montanasky.com](mailto:overbeekr@montanasky.com)

### Here's how it works

- ❖ Label each item with your name, address, phone #, and email address. Include a description of the fiber, technique and anything else you would like the recipient to know, along with care instructions.
- ❖ Please do not gift wrap your item. We will put it in a gift bag.
- ❖ Bring or send your items with a friend to the conference. Exchanges will be accepted Thursday from 1:00 pm to 8:00 pm, or on Friday morning at registration. We'll have a place at registration to drop off items.
- ❖ Exchange items will not be accepted prior to the conference.
- ❖ Items must be hand delivered and not mailed to the conference.

- ❖ You will receive your exchange at the Spin-in on Saturday evening.
- ❖ Items will NOT be mailed to you after the conference. If you are unable to attend the Spin-in on Saturday, be sure to designate a friend to pick up your item for you, and let Judy Overbeek know ahead of time.
